Hi Felix

We have just got the materials last week and both boats started. We will have them both out in the next couple of weeks. What is the delivery address for Thomas boat?

Cheers

Holly

Hi Holly,

January is drawing to an end now and Thomas and Frederik have both paid there boats up. Can you give me an exact delivery date and how things are going on your end? Frederik has already cancelled his plans for Dubai (like me) and the German season starts in less than 4 weeks as winter draws to an end.

best

Felix
